

# Has Your Child or Teen Been Diagnosed with Narcolepsy?

*You and Your family are Not Alone!*

***Please Join Us***

**Saturday, November 17, 2012 @ 4:00pm**

Families, caregivers and friends come together for an informative afternoon. Teens and young adults with narcolepsy are also encouraged to attend and will have the opportunity to socialize and connect.

## ***Special Guest Speaker***

***Dr. Judith Owens, MPH, D, ABSM***

*Director of Sleep Medicine at Children's National Center*

Dr. Owens is an internationally recognized authority on children and sleep. She is the author of more than 75 original research and review articles in peer-review journals, chapters, and books on the topic, and is board certified in developmental/behavioral pediatrics and sleep medicine. She is delighted to share her knowledge with you.

Location: First Trinity Lutheran Church - Fellowship Hall  
305 E Street, NW, Washington, DC  
(Corner of 3rd and E STs in NW. Right outside of the Judiciary Square Metro on the Red Line.  
Public Parking only.)

Refreshments will be served

Please RSVP to <http://www.surveymonkey.com/s/HFD8Q7W> by November 15, 2012 or contact LaShun Ray at 301 642 9801.
